

# EARTHQUAKE QUESTIONNAIRE

→ (attach to an Acord application) ←  
or  
(attach to 'short form' application)

Applicant: \_\_\_\_\_

Location: \_\_\_\_\_, County: \_\_\_\_\_, State: \_\_\_\_\_

Occupancy of building: \_\_\_\_\_

Construction of building: \_\_\_\_\_ Wood Frame, If so, \_\_\_\_\_ Stuccoed, \_\_\_\_\_ Masonry Veneer  
\_\_\_\_\_ % of Exterior Wall Area, \_\_\_\_\_ Metal, (steel frame),  
\_\_\_\_\_ Concrete Block, \_\_\_\_\_ Hollow Tile, \_\_\_\_\_ Tilt-up Pre-cast Concrete

Year Built: \_\_\_\_\_, Number of Stories: \_\_\_\_\_

Reinforced Construction?: \_\_\_\_\_, Reinforce for Seismic Loading?: \_\_\_\_\_

Retrofitted?: \_\_\_\_\_, If yes, please explain what has been done: \_\_\_\_\_

Building Designed and Constructed to what Code?(edition/year)?: \_\_\_\_\_

Roof: (Type & condition - including year:) \_\_\_\_\_

## BUILDING FEATURES

- 1) Is building bolted/tied to foundation? \_\_\_\_\_
- 2) Is building other than square/rectangular in shape? \_\_\_\_\_
- 3) Is building on stilts/post & pier? \_\_\_\_\_
- 4) Is building exposed to adjacent tall structures incl. Water tanks, antennas, etc? \_\_\_\_\_
- 5) Is building within 3 feet of exposing building that is over two stories high? \_\_\_\_\_
- 6) Does building abut neighboring building? \_\_\_\_\_
- 7) Swimming pool/hot tub/spa? \_\_\_\_\_  
Is pool at lower elevation? \_\_\_\_\_
- 8) Any cracks in foundation or retaining wall? \_\_\_\_\_
- 9) Roof water tank on building? \_\_\_\_\_
- 10) Does building have large open areas such as parking garages or large exterior glass areas on the first floor? \_\_\_\_\_ If so, how braced? \_\_\_\_\_
- 11) Is heavy machinery unrestrained? \_\_\_\_\_
- 12) Does rack shelving lack cross bracing? \_\_\_\_\_
- 13) All gas-fired equipment has flexible pipe connections and accessible shut off valves upstream of equipment and at meter? \_\_\_\_\_
- 14) All gas fired equipment property restrained (e.g. water heaters, ceiling suspended heaters, etc)? \_\_\_\_\_
